Trip Highlights

Kedarnath

Our recent trip to Kedarnath was a beautiful blend of adventure and spirituality. Trekking through the stunning Himalayas and reaching the revered Kedarnath temple left our travelers in awe of nature's grandeur.

A special thanks to our trip leader, Tanvi, whose knowledge and enthusiasm made every step unforgettable. Her energy and warmth brought the group together, turning this trek into a journey of connection and discovery.

At Firgun Travels, we aim to create soulful adventures, and this Kedarnath trip was truly one for the books.

All Girls Goa

The all-girls getaway to Goa was filled with sunlit beaches, carefree laughter, and unforgettable experiences. From lounging by the ocean and exploring Goa's lively streets to dancing under the stars, the group embraced the freedom and joy of this vibrant destination together.

Our incredible trip leader, Kajal, added so much to this experience. With her warm personality and attentive guidance, Kajal made everyone feel at ease, encouraging the group to have fun and dive into each adventure with confidence.

Trip Highlights

Everest Base Camp Trek

The Everest Base Camp Trek was nothing short of awe-inspiring, taking our travelers through rugged trails, stunning Himalayan landscapes, and the heart of Nepalese culture. Every sunrise over the peaks and each step closer to Base Camp was a triumph of spirit and adventure.

Guiding this incredible journey was our skilled trip leader, Ashish, whose expertise and encouragement kept the group motivated and united. Ashish's deep knowledge of the mountains and his friendly guidance made the trek both challenging and rewarding, helping each traveler feel secure and supported along the way. Such treks are not easy without a proper leader but he showed immense skills and patience to turn this team into a dream team.

We strive to offer life-changing adventures, and the journey to Everest Base Camp was one that left everyone with unforgettable memories and a newfound respect for the mountains.

The moment I decided to do the Everest Base Camp. I knew I wanted to travel with Firgun. And, yes my trust paid off 😊😄💕 the trip was great and exceptional. Our trek was more than just an adventure - it was a journey of self-discovery, deeper friendships and growth. Ashish Pandey, our team leader, was the backbone of our journey. His motivation, guidance, and patience helped us push through the toughest moments. The 18 strangers who has now became the part of my family - their love, support, and encouragement made every step worthwhile. I'm very grateful for each and every one of you. Ashish, you're more than just a team leader - you're an inspiration. Your leadership made all the difference. Thank you all and Firgun travels for creating an experience that will stay with me forever and helping me conquer the new heights both literally and figuratively 😊❤️

My friend suggested me to book a trip with firgun travels it was my first solo trip with all the strangers I was so nervous but my friend told me you just book and you will not regret and trust me it was a trip with full of mixed emotions and after that I choose to Everest base camp after so many ups nd downs the way all the people handle situations and we complete it so so happy firgun is my go to place and Ashish the trip leader became big brother did an amazing job when we return it felt like when we used to go to Nani's house in summer vacation the feeling of returning home it was feeling empty like i was literally emotional realising that trip is about to end

But thanks to firgun travels and all the amazing fellow travellers for unforgettable trip ever

Radhika

I recently completed the 22 km trek to Kedarnath in the first week of October with Firgun Travels, and I would like to take a moment to express my sincere appreciation for the incredible experience. Honestly, I am a solo traveler and I wasn't really sure if I'll be able to adapt myself in a group of 15 to 18 people but thanks to our trek leader - Tanvi. A huge part of what made this journey so memorable was the leadership and dedication by Tanvi. She made it so much easier for us with introductions, conversations and fun games.

Tanvi demonstrated exceptional patience, commitment, and care throughout the entire trek. Managing such a large group while ensuring that every single person was taken care of and kept safe was no easy feat, but Tanvi handled it effortlessly. She was always approachable, answered all questions with a calm demeanor, and provided valuable guidance along the way. I felt as if I was traveling with a close friend.

Thank you, Tanvi, and Firgun Travels, for such a well-organized and fulfilling adventure. I would highly recommend this trip to anyone looking to explore Kedarnath, and Tanvi's leadership truly made it exceptional!

Your Travel Story

One of the best decisions I made this year is taking a trip to Goa which was organised by Firgun travels. It's been days now but even today I cherish each and every moment of the trip. Being a worrier by nature, I was anxious before booking the trip as I had never travelled with strangers before but I am glad that I took that leap of faith. A big shoutout to Kajal who supported me everyday and created an environment where everybody could bond and just be themselves. The best part of the trip was its super fun packed itinerary that included watching pretty sunsets, water sports, Kayaking, clubbing, nature hikes, some hidden gems and not to forget the night all trippers had some deep and meaningful conversations. Being a foodie, I also got to have delicious food in Goa thanks to Kajal for taking us to the finest cafes. I was a little apprehensive the day we were doing the water sports but Kajal encouraged me by saying that these could be some unforgettable experiences and I should give a try, I am glad I listened to her. After doing parasailing and jet ski I felt a surge of confidence in myself and felt like all life difficulties disappeared.

They say that travelling is not just about the destination but also about the people you meet and I think no one understands it better than Firgun. I think I not only had an amazing trip but also have a bunch of people now who will be my lifelong friends. This experience will stay with me forever and I can't wait to go on more trips with Firgun. :')
